We've gone to Florida for 2 or 3 weeks 3 of the last 4 years, but we have some friends who spend all winter in Arizona, so we're thinking of finding a place somewhere near them for maybe a month. They are 30-40 miles northwest of Phoenix in a town called Wickenburg. Carol didn't seem too excited about going anywhere. We usually fly to Florida and rent a car, but when I said we'd drive to Arizona, she realized that her hesitation was because she is afraid to fly. I don't like to drive long distances, but we'll just have to take our time. We will let you know where we'll be and when.

What are you doing for Christmas?
