We made it. The drive was pretty easy except for one day when we had rain. The condo is beautiful - right on what is probably called Clearwater Bay, the body of water that separates Clearwater from Clearwater Beach. We are on the second floor with a big balcony that overlooks a dock and boatslips, facing west. Carol is trying to find a way to block the sun - it is 4:30 and the sun is glaring in the uncovered windows, making the living room a bit uncomfortable.

The place is big and modern, fully furnished. Two bedrooms and 2 full baths. The guest bedroom has two twin beds that can be pushed together to make a king. No one has committed to join us yet, so if you are interested, let us know. The condo phone number is 727-442-2389. We will be here through the end of the month.
