I am writing to call your attention to a possible IBEW-COPE PAC campaign expenditure reporting error. You reported that on 7/16/2009, you contributed \$4750 - TWICE - to the mayoral campaign of Virg Bernero of Lansing, Michigan. You can view the report at this address on the Michigan Secretary of State's website:

http://miboecfr.nictusa.com/cgi-bin/cfr/exp_anls_res.cgi

I suspect that is an error because on the Bernero campaign committee's report, your \$4750 contribution appears only once.

I am not with the Michigan Secretary of State, but just an interested citizen. Please check on this and let me know what you find.
