Dear Eleanor,

I received your letter today and sure was glad. I think I really got it yesterday, guess I didn't look in the mail box good enough. Next time I'll take it all apart so I'll be sure + find a letter if there is one.

I'm here all alone right now, Jake has gone to Cincinnati on business. I suppose you know I'm living here with him in Ogden didn't you? He's got a nice apartment.

I went to work Tues. morning. I'm working in the office, in the cost dept., at Cron Hills. The same place I my works. I like it real well. Go to work at 8:00 A.M. work until 12:00 then go back at 1:15

I work until 4:30. Also I at
forenoon from 8:00 to 11:30. Not
bad hours are they?

That sure was a swell
letter, but hated to hear you
were sick. Hope your O.K. now.

I'm coming home the 21st,
that's on a Fri. nite. Will
probably get there around 8:00.

I save that nite for me
will you? I'll stop as soon
as I get in Allegan & you
can go out home with us.

Then we'll come back to the
dance at the Community Bldg.
John's Mom & Dorothy? Tell
them I said hello. Hope
they're not married yet.

Well if your being as good as
I am about drinking. You're
sure good, you sure are. "Cup"
I've only drank 1 bottle of beer
so far. But that good?

Say if all the kids you
say are going to the
Comm. Bldg. Fri. nite where
will poor Allegan come in
at? Isn't that a shame?

Oh say there's playing
I tan H. H. on Alabama on
the radio ~~now~~ just now. You
know that makes me think
of a little Jew I know in
Allegan, do you know her? ^{H.H.}

Well I guess I'll shut
up and go eat because I'm
getting hungry. So long
until _____ . Have a
good time Fri. nite. I
went to a dance last nite
had a swell time. But not
like if you were there. Bye
nite soon
Love
E.V.
