Sat. afternoon

My Dear Elmore

I just came back from taking a ride down to Lansing to look over the city, there sure was a lot of traffic this afternoon and was it slippery.

Last night Dukey came over and wanted me to go to the show with him so I went. We saw the Crusader. You should see it, it was pretty good. I met George Hill to-day at a gas station he is the same as ever.

I got a letter from Edna and George to-day, they wanted to know when I was coming home, so I told them to have a half a calf ready to eat ^{every} Saturdays night for supper. I am coming home ~~Saturday~~ Friday Night and I will take you any where you want to go. if

You will go. I will be there before its ~~wait~~
wait. You know, every time I look
at that picture of you in the Conf and
David, it gets better and better all the time.
Now I know I am coming home.
I guess I will go to church to morrow, if
I feel like it.

I looked your
picture over
yesterday
to-day.

Love Good Friend, weather
wrong before
I started You know it or not.
Pete.
