Dear Clarence,

I just got your letter. I didn't expect one as soon as this because I thought the roads would be closed. I also got a religious letter from Granddaddy Harry, which went into the west paper basket. I think he has gone nuts, don't you?

I guess there isn't anything Redell wouldn't do for a guy, or maybe it was you he done it for. I told him to give them to dad if he stopped but he most not have needed any gun.

My roommate comes back Wed. night as we are all back to work again.

I am just beginning to get interested in my work. Yesterday we played with horses all afternoon and I believe I learned something (funny isn't it).

I guess Nick was worried about us because he called up Monday night to see if we got home alright.

J. C. Moore call us Tuesday to see how

he should post the evening cartoon

I have been visiting with Ven Hoze for about
a half an hour. He would like to go to Malomozoo
to see the family and see how the way
he talks, but I talked him out of that, and
we are going to the board ball game to night
between M.S.C. and U.S.M. I hope

you had a good time at forum and the
party scene is putting on. I think you
should have invited the Deans so you
would have a little spice & life at the party.
